Work Experience

IBM 2023 - Present

Senior Director of AI Strategy

As Senior Director of AI Strategy at IBM, I spearheaded the development and implementation of cutting-edge AI initiatives, aligning them with business objectives to drive innovation and competitive advantage. My role involved collaborating with cross-functional teams to integrate AI solutions into existing products and services while fostering a culture of data-driven decision-making. I guided strategic partnerships and investments in emerging technologies, ensuring our AI capabilities remained at the forefront of the industry. Additionally, I mentored teams, promoting skill development and knowledge sharing, to enhance our organizational expertise in AI and machine learning.
