Work Experience

IBM   2023 - Present
Senior Director of AI Strategy
As Senior Director of AI Strategy at IBM, I was responsible for defining and executing the AI vision across the organization. I led cross-functional teams to integrate AI technologies into business solutions, driving innovation and enhancing operational efficiency. My role involved collaborating with stakeholders to identify opportunities for AI implementation, overseeing project lifecycles, and ensuring alignment with corporate goals. By fostering a culture of continuous learning and adaptation, I empowered teams to navigate the evolving AI landscape, ultimately enhancing IBM's competitive edge and delivering transformative solutions for clients.
